Subject: Title V permit for Chemours
Attachments: Final Permit 03735T42.pdf; NOTICE_AirPermitReview_Chemours_T42.pdf

Folks....

For those of you working on air-related issues associated with the Chemours facility in NC, please find attached a copy of the facility's most recent Title V renewal permit, issued on 26 April 2016, and the statement of basis for that permit. I thought you would be interested in see it. (Thanks Terry Johnson for pulling it for me!)

Kenneth L. Mitchell, Ph.D. | Special Assistant to the Director |
